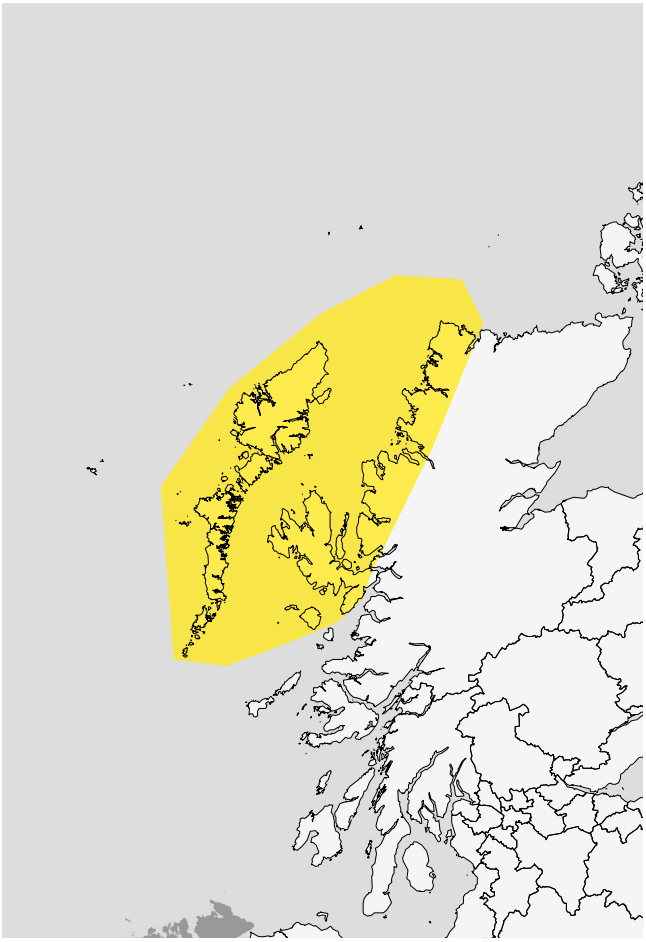
Yellow warning
Wind

Between
12:00 Wed 8 Feb 2023 and
18:00 Wed 8 Feb 2023



Strong south to southwesterly winds bringing some travel disruption and dangerous coastal conditions

What to expect

- Some delays to road, and cancellations of air and ferry transport are likely
- Probably some bus and train services affected, with some journeys taking longer
- Delays for high-sided vehicles on exposed routes and bridges likely
- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves

Further details

South to southwesterly winds will strengthen through Wednesday morning to bring a very windy day, with the strongest winds occurring during the afternoon. Gusts of 65-70mph are expected quite widely, with some gusts around 75mph especially during a period of squally rain which will cross the area during the afternoon. Winds will then ease considerably for a time, following the rain.
